

**National
Business
Network**

About NBN

- ▶ **The National Business Network** was established in 2004 as a legal entity for private benefit.
- ▶ It is an association of small and medium enterprises.
- ▶ NBN provides its member-companies with information, goods and services and supports the cooperation between them.
- ▶ NBN has member-companies all over the country working in various fields.

Main activities

- ▶ Providing our member-companies with preferential goods and services at special prices
- ▶ Creating conditions for the realization of new business contacts and building partner relationships
- ▶ Exchange of information
- ▶ Partnerships for the implementation of projects under EU programs
- ▶ Joint participation in other projects and initiatives
- ▶ Arranging and conducting seminars, workshops and presentations
- ▶ Activities of mutual interest, approved by the governing bodies observing the principles of independence, autonomy and mutual benefit.

The advantages to be a part of NBM

- ▶ Joining the network of companies for the exchange of information and business contacts
- ▶ You are able to create partnership and cooperation at international level
- ▶ Receiving weekly e-newsletter that includes useful business information
- ▶ Participate in club NBM

Joining the network of companies for the exchange of information and business contacts, and that allows you:

- ▶ Advertise your business and products among NBM members and partners
- ▶ Your company can present on the site of NBM and send information and offers to other member companies
- ▶ Free expert advice on funding opportunities for European and national programs
- ▶ Participation in organized workshops and events for members of the NBM to create opportunities for cooperation, joint initiatives and contacts
- ▶ Your e-mail address to be included in the mailing list of NBM and you will be informed about all our initiatives and events

International cooperation and partnership

- ▶ We can give you a real assistance to find suitable foreign partners
- ▶ In conditions of competition every new partner is crucial
- ▶ The establishment and implementation of international business contacts are an opportunity for a new direction and idea - the basis for successful realization

e-newsletter

**Receiving weekly e-newsletter
which includes information about:**

- ▶ business events organized in the country and abroad
- ▶ international exhibitions, fairs and business forums
- ▶ conferences, workshops and seminars
- ▶ calls for project proposals
- ▶ and all kinds of useful information concerning the activities of the companies

NBN Club

- ▶ Club card allows you to receive discounts, favorable conditions and additional benefits provided by our partners at preferential prices
- ▶ We have selected for you services that are needed in the daily activities of each firm
- ▶ With Club NBN you will facilitate your work, and save you time and money - two important things for any company!

Join us

- ▶ The direct exchange of knowledge and experience between the partners will offer new ideas about what needs to be done for your successful development and how to realize more effectively your initiatives.
- ▶ Teamwork and partner relationships enable sharing of experiences, access and exchange of information for the promotion and application of best practices for the professional enrichment of both parties.
